What kinds of stories do your household objects tell?

The Artwork

In The 7th Time, Artist Sáandlaanaay has turned the gallery into a living room. It is filled with household objects from many people's homes. You are invited to explore the space, listen to tape players, and read the books. As you explore think about the objects that help make you feel at home. Maybe its a favorite book, song, journal, stuffed animal, or chair.....

The Artist

Sáandlaanaay, Kimberly Fulton Orozco, is a Kaigani Haida Raven of the Yakhw' Jaanaas clan and a citizen of the Central Council of the Tlingit and Haida Indian Tribes of Alaska. Her art explores how the objects in our homes can carry memories.
